MCDC 1st Annual Upper Peninsula Lender Appreciation Golf Outing

We hosted our 1st Annual Upper Peninsula Golf Outing at the beautiful Greywalls Course at Marquette Golf Club which was our way of thanking our lending partners as they help continue our vision of "Making dreams come true, one small business at a time". The Upper Peninsula of Michigan is continuing to expand with jobs, opportunities, and growing communities; therefore, we are accommodating you with our Senior Loan Officer, Todd Horton located in Marquette.

Remember, when you attend our outing you won't walk away empty handed; everyone receives a gift. Bring us a project and maybe next year you can join in on the fun! Enjoy the video.
