Kaitlyn Kotesky-Muller

Kaitlyn Kotesky-Muller

We continue our Spotlight Interview Series where we ask our employees what they like about working at MCDC and how they spend their free time.

This month we are introducing Underwriter, Kaitlyn Kotesky-Muller who has been with MCDC since the fall of 2019. Kaitlyn is a key member of the underwriting team; working closely with the Loan Officers to properly structure a deal prior to submission.

What is your favorite part about working at MCDC?

I really can't limit it to one particular aspect as there are so many parts of working at MCDC that I enjoy such as the ability, as an underwriter, to help small businesses with our program and the wonderful people that work at MCDC. Our underwriting team consists of some phenomenal people who I have gotten to know throughout the last year of working here. I feel like we are cohesive as a team both professionally and personally. I also feel like I am family here and I love that.

What do you like to do in your spare time?

I love spending time with my husband as we enjoy a lot of the same things such as Detroit Lions football and doing projects around our home. We also enjoy spending time with our two dogs, taking them for walks and playing with their BarkBox toys. I love being active and working out. My favorite types of workouts are weight training and HIIT. Cooking is also a passion of mine where I like to prep healthy meals throughout the week. My husband knows how to make cereal and that's about it so even though he is no chef, he is an awesome taste tester. On Sundays, you can usually find me watching a sermon and drinking lots of coffee.

Tell us a little about your family.

I have been with my husband, Zack, for almost 10 years now and married just over 5 years. He is truly my soulmate. He has the best sense of humor and is very creative. Like me, he also works in the finance industry. We have two shih-tzu mix dogs. Our older one is 15 years old and his name is Kolby, while the younger is 5 years old and his name is Winston. Winston loves to play with toys and Kolby likes toys too but enjoys eating more.
