

## MCDC Lenders Appreciation Golf Outing Video

We had another fun and successful MCDC Annual Lender Appreciation Golf Outing with lenders from all over the state coming together at [Eagle Eye Golf Course](#) in Bath.

We would like to again, thank everyone at the outing for the generous donations to the [Greater Lansing Food Bank](#). Through everyone's contributions we were able to raise money to supply over 5,000 meals throughout the Mid-Michigan area. We very much appreciate the support.

This annual outing is one of the ways we say "Thank You" to lenders that partner with us in assisting small businesses with financing. Bring us a project and reserve your place in next year's outing! Enjoy the video.

At the reception we also recognize the accomplishments of the 2022 Lenders of the Year throughout the state who were instrumental in the past year helping to support small businesses obtain funding.

**2022 Lender of the Year awards were awarded to the following:**
