

Cares Program

Since 2018 The MCDLC Cares Team has been making a difference by donating time and money to assist mid-Michigan communities.

This holiday season The MCDLC Team through the MCDLC Cares Program continued to light up the lives of children and families who were facing challenging times by adopting two large families to help brighten their Christmas.

In addition, funds were raised last summer at the Annual MCDLC Lender Appreciation Golf Outing to provide food for the Greater Lansing Food Bank. These funds help to fight hunger in the surrounding mid-Michigan counties.

“In the spirit of holiday generosity and community, the MCDLC Team, through the MCDLC Cares Program is happy to brighten the lives of families in our community,” stated MCDLC President Mark Williams. “I am so proud of this extraordinary team that has given so generously along with the matching contribution from the company.”

MCDLC Cares is an employee directed program by which all MCDLC Team members participate to generate funds used to provide necessities such as essential goods, services, food for families in need and contributions to support other worthwhile causes.
