

## Northern Baer Auto Repair

With the help of the SBA 504 Loan Program siblings Len & Courtney Ferry were able to keep the nearly 20-year-old Gaylord business in the family. Auto repair has been a part of their lives as long as they can remember. With the help of Senior Loan Officer Eric Maly, his experienced team and Nicolet National Bank, Len and Courtney were able to finance the real estate and equipment in an efficient manner. As new technology has become a part of every vehicle the new and advanced equipment will allow them to provide speedier service for customers.

The Gaylord community will continue feeling a level of comfort knowing the family business will be around to keep their cars serviced with the highest safety standards in mind.
