

Cross & Lincoln Woodworks

Collaborating with MCDC Senior Loan Officer, Coty Gould was a smart move for owners Donald and Nicholas Cheyne. This well working team has been together for over 20 years producing high quality custom wood cabinetry and trim as well as countertops.

Customers continuously praise the friendly crew of Cross & Lincoln for their incredible workmanship and customer service. It was great news all around when they explored purchasing new equipment and a larger building for their shop so they could expand their business and continue producing high quality products. Donald and Nicholas have always stood behind their work with mindfulness, therefore, making them the premier talented leaders.

The SBA 504 Loan Program provided long-term financing for Donald and Nicholas helping them support their business growth in addition to creating new jobs for their community.
